2017-18 School Calendar Discussion Update

Over the past few weeks, MTI conducted an MTI member poll on the 2017-18 school calendar and found a 4:1 preference for a longer (10 day) winter break. The MTI Calendar Committee met with District representatives on January 5 to share this preference. The District’s stated preference has been to have a shortened winter break to accommodate ending the school year on June 8, 2018, while starting the school year after Labor Day. However, with the feedback MTI has received from MTI members, it is clear that other options need to be explored, including starting the school year earlier or possibly ending it into the second week of June rather than the first. MTI members on the joint Calendar Committee have also brought forward various concerns and ideas regarding the “staff only” days, placement of school breaks, and timing of report cards and conferences, which the parties are discussing in order to make improvements. All members of the Committee agree that the extensive work involved in in figuring out school calendars, given the many outside factors that impact how they are determined, needs to begin earlier in the school year. The Committee will work to finalize the 2017-18 calendar in the next couple weeks at which time the calendar will be shared with all.

“The Women’s March on Madison is the collective voice of all Wisconsin advocates for equality and inclusion. We are committed to fighting for the safety, health, and success of our communities. Let no voice go unheard. Let no one live in fear. Let all of us rise up for equal opportunity. “Staff Only” Day February 3; Structure of Day Determined by Principal and SBLT

There is no school for students on the February 3 “staff only” day (formerly known as PD days). The Employee Handbook, Section 4.06, provides that there will be one (1) full staff only day per quarter. “The structure of the day is to be determined collaboratively at the building level by the principal and SBLT. Such time shall include collaborative learning that supports and enhances the quality of teaching and is aligned to each school’s SIP goals and strategies.”

Educational Assistants and School Security Assistants have a mandatory workday on February 3. Various professional development opportunities are available to specific groups within these bargaining units, at the District or individual school level.
Temporary Reduction of Contract with Right to Return to Full-Time

Addendum A, Section 3.09 of the Employee Handbook provides that full-time teachers who wish to work part-time may request to do so for a period of one (1) year, and shall have the right to full-time regular contracts at the end of such period. Requests for part-time contracts must be made in writing to the Department of Human Resources on or before March 1 of the preceding school year. To be eligible for contract reduction under this Section, a teacher must have completed five (5) years of service with the District as a teacher by the time the contract reduction will become effective.

Educational Assistants: Demand Your Lunch & Break Time!

Addendum F, Sections 1.03 and 1.04, of the Employee Handbook, provides Educational Assistants working four (4) or more hours a one-half (½) hour unpaid duty-free lunch.” Paid breaks are also provided for. Unfortunately, some members of MTI’s EA unit have a schedule which “encourages” them to work through lunches or breaks. Agreeing to work such a schedule undermines these hard-earned rights. Anyone who has such a schedule should bring it to the attention of their supervisor, and ask that it be modified to assure time without student supervision when the employee’s lunch or break times are scheduled. An EA who voluntarily performs noon lunch supervision shall be paid at their highest hourly rate for performing noon lunch supervision. For assistance, contact MTI Assistant Director Eve Degen (degene@madisonteachers.org).

Reminder: USO-MTI General Membership Meeting 1/26

During the 2016-17 school year, the USO-MTI bargaining unit began holding monthly membership meetings to give USO-MTI members an opportunity to meet and discuss items of concern and issues that the USO-MTI Board and MTI Staff might discuss as part of the ongoing Handbook discussions with the District. The next meeting is scheduled to take place on Thursday, January 26, at MTI. This meeting is scheduled to begin at 4:15 p.m., but late arrivals are welcome. We will have light refreshments available. It is also a chance to meet and talk with other substitutes from across the District since substitute teachers so often work in isolation in various buildings. Feel free to RSVP (knightj@madisonteachers.org) or just drop in.
