MTI Cares, the community outreach committee for Madison Teachers Inc., is partnering with the **Food 4 Thought Initiative (Food4TI)** for our 7th annual Bowl-a-Thon fundraiser. Food4TI provides school-based meals for students to help prevent hunger from impairing learning, behavior, or the ability to attend and focus at school. Food4TI currently supports food pantries at five Madison schools and runs Thea's Table; a weekend food program to help provide meals for homeless or at risk families. We are seeking sponsors for this event to help raise funds and awareness that food insecurity affects our students everyday.
