

Who are MTI VOTERS?

MTI-Voters is the political action committee of Madison Teachers Inc. which seeks to identify candidates most likely to advance policies supported by the members of MTI, policies that support MMSD staff and students, and advance the quality of public education in the Madison Metropolitan School District.

The Political Action Committee is known as MTI VOTERS. The Committee consists of the President of MTI or their designee and the Treasurer of MTI, the President or their designee of each of MTI's affiliates, including MTI-Retired, an Educational Support Professionals (ESP-MTI) member selected by the ESP-MTI group, and eight (8) members elected by the MTI General Membership. This member-compromised committee coordinates MTI's political endorsement process and advances recommended candidates to the thousands of MTI members who vote to formally endorse candidates based on those recommendations.

MTI VOTERS

2026 Fall Election Questionnaire

1. Why are you running for elected office? I believe in public service and have practiced it my whole adult life. We can change things for the better through government action. I plan to continue to work on behalf of the people and give voice and votes to their concerns.

2. If elected, what are the three priority policies you will work to advance? 1. Reforming School funding and Tying revenue limits to inflation. 2. Cost of living relief. 3. Expanding access to healthcare

3. What are your three most important education issues? 1. Substantially increasing Public School funding- mainly K-12. 2. Strengthening the Teacher Workforce Pipeline with packages aimed at retention, recruitment and financial support (wages) 3. Expanding Student support services primarily mental health, suicide prevention and trauma informed care. Providing free universal lunch programs.

4. How does your role relate to public school funding and what changes, if any, would you make to how public schools are funded? As a legislator, bills can be introduced to address school funding. We should provide an adequate and equal education funding system. We should move school funding to the general fund and off the property tax roles. We should increase funding as CPI moves. We can use our voices to bring awareness to education issues.

5. Would you oppose any efforts for the state to take over public school districts or school board? Yes, local control is best. Takeovers would undermine local democracy and infringe on the authority of local elected school boards and the voices of community voters.

6. If applicable, will you support legislation to restore full collective bargaining rights to all municipal workers? Absolutely. Bargaining over wages, hours & working conditions is the heart & backbone of organized labor.

7. Do you accept funds from political action committees? Yes
