

Who are MTI VOTERS?

MTI-Voters is the political action committee of Madison Teachers Inc. which seeks to identify candidates most likely to advance policies supported by the members of MTI, policies that support MMSD staff and students, and advance the quality of public education in the Madison Metropolitan School District.

The Political Action Committee is known as MTI VOTERS. The Committee consists of the President of MTI or their designee and the Treasurer of MTI, the President or their designee of each of MTI's affiliates, including MTI-Retired, an Educational Support Professionals (ESP-MTI) member selected by the ESP-MTI group, and eight (8) members elected by the MTI General Membership. This member-comprised committee coordinates MTI's political endorsement process and advances recommended candidates to the thousands of MTI members who vote to formally endorse candidates based on those recommendations.

Completed candidate questionnaires will be posted on the MTI website for members and the public to read. Visit madisonteachers.org/elections/ for more updates

MTI VOTERS
2026 Fall Election Questionnaire

1. Why are you running for elected office?

I am running for re-election to the Legislature because there is more work I'd like to do to benefit District 47 and the entire state of Wisconsin. There is a unique opportunity this fall with new legislative maps to allow my caucus to win control of the Assembly for the first time since the 2008 election. I'm excited to have the opportunity to push even harder for and be able to pass important legislation on issues I (and Wisconsinites) care about.

2. If elected, what are the three priority policies you will work to advance?

- Work to expand broadband and high speed internet to rural and underserved areas of the state.
- Pursue avenues to improve affordability for Wisconsinites, such as caps on insulin and prescription drug prices for Medicaid recipients and investing the state's surplus into a better shared revenue deal for municipalities and providing funding for our public schools, which can lower property taxes.
- Repeal Wisconsin's 1849 abortion ban and the 2006 constitutional amendment banning same-sex marriage from state statutes.

3. What are your three most important education issues?

- End Wisconsin's Parental Choice school voucher program
- Increase funding for education in the next state budget and reform the school funding formula
- Repeal Act 10 and reinstate collective bargaining rights for our wonderful public school educators

4. How does your role relate to public school funding and what changes, if any, would you make to how public schools are funded?

As a legislator, I play a key role in helping determine how the state's schools are funded. We need to overhaul the existing convoluted school funding formula that badly needs work. I'm committed to championing that cause in my next term.

5. Would you oppose any efforts for the state to take over public school districts or school board?

Yes.

6. If applicable, will you support legislation to restore full collective bargaining rights to all municipal workers?

Yes.

7. Do you accept funds from political action committees?

I do. Committee to Elect Randy Udell, 2905 Walnut Wood Court, Fitchburg, WI 53711.

Candidate Name: Randy Udell
